Training: Interviewing and Interrogation

Training Cost: \$580.00

Additional Information: The Police Department currently has 95 active case reports.

The Police Department's total reports received for the month of January were 12, an increase of 4 when compared to January 2010 in which the department received 8 reports. I hope the small increase in reports does not continue for the year.

Sgt. Nolley received training in Columbus for the Reid Technique for Interviewing and Interrogation the training will aid Sgt. Nolley in his new position as investigator for the department.

The 2005 Ford Explorer is now in service and has shown to be very dependable and handles great in the snow and ice, I want to thank the Mayor and Council for purchasing the vehicle. It will be a great addition to the department in order for us to continue to do our best while serving the citizens of Leesburg.

Thank You:

Chief T. Tyree
